Desk Telephone Support

If you're considering refreshing or deploying any type of system phone, make Legacy Telecom your first stop. We have access to most global brands that includes **AVAYA**, **Cisco**, **Mitel**, **Polycom**, and **Yealink**. We have built strategic partnerships with distribution and manufacturers for over 20 years that allows us to deliver what you are looking for to support your budgets.

Telephone Exchange Scheme

Additionally, our **Telephone Exchange Scheme** offers a sustainable purchasing route, allowing you to exchange faulty devices for fully refreshed phones at a discounted rate, complete with a 12-month warranty. A standout feature of this scheme is the flexibility to swap a device for a different model, enabling you to unify your telephony system with the trust while upgrading to higher-spec models at reduced costs. Choose Legacy Telecom for impactful solutions that elevate your communication!

Sustainable Routes to Purchase

We offer numerous colleges and universities a more sustainable route to purchasing items they need to deploy, whilst saving budget and also offering a more ethical, eco-centric way to purchase.

Over 20 Years of Sustainability

For over 20 years, Legacy Telecom has supported the Education Sector by providing fully refreshed products that enable significant savings without compromising on quality or warranty. By choosing fully refreshed products instead of new, you are making a positive impact on the environment and helping to reduce electronic waste. Every purchase contributes to a more sustainable future, allowing us all to play a part in preserving the planet while still receiving high-quality solutions.

Exchange Faulty Phones & Headsets

We have a collection of SoundBites on the website that offer a 2 minute description of the services mentioned with an emphasis on saving your budgets and also reducing electrical waste. If you wish to learn more about these services and how your trust can directly save money, feel free to visit the website *Sustainability Section*, or simply call us on 01942 686 260
